The 3rd Lagoon Life Water Festival will take place in Langebaan on the weekend of Sat 22 & Sun 23 October 2011. Based around the highly successful, annual Driftwoods Lagoon Dash Surfski Race (highlights of which will air on Supersport on DSTV), we will once again have the Pearlys Dial Rock Sailing Race from Langebaan around Dial Rock or Jutten Island and back and Die Strandloper Beach/Trail Run, an exciting new trail run/beach scramble on the Sun morning which will have a 5km fun run/walk suitable for all ages as well as a more challenging 10km run for the more competitive.

Saturday events will be based at Main Beach where you can register for each event from 1 hour before the start time. Sunday's trail run has it's registration (from 6.30am), start (7am) and finish at Die Strandloper Restaurant (lookout for the signs on the way to Mykonos).
